We have unparalleled success and student satisfaction rates in Australia, New Zealand and Ireland. MedEntry is the only premier, internationally trusted UMAT training institution.

DO I REALLY NEED TO TRAIN FOR THE UMAT?

Yes! Do not be misled into thinking you cannot prepare for it. Even high achieving students struggle with the UMAT. Some students with perfect school/uni scores have missed out on a place in medicine due to their low UMAT scores. Research shows training can significantly improve your UMAT score.

WHAT DISCOUNTS DOES MEDENTRY OFFER?

MedEntry offers several discounts. These include discounts for groups, past students and those nominated by their teacher/principal/lecturer. Numerous scholarships are also available.
