

CAREERS EXPO – 12-15 MAY 2016

PERTH CONVENTION CENTRE

It's just 2 weeks now until Perth's largest careers, education and training event. Make sure you get a lift from the ideas and inspiration of the Expo – it could be where you finally discover your future.

Entry is Free: 12-15 May 2016 – <http://careers-expo.exhibit.com.au/>

Over four days, nearly 100 exhibitors – universities, TAFEs, government departments, training providers and employers – will present a huge range of career and employment pathways. It's an unmissable opportunity for students in years 9–12 to decide on tertiary or vocational courses or to select upper-school subjects, and to get face-to-face with employers. It's also great inspiration for adults looking for an exciting change of career.

The event has been staged every year since 2000, with nearly 150,000 students and parents having so far attended.

At Careers Expo 2016 you can talk with all of WA's universities and major training and vocational organisations, all under one roof.
