

HOST FAMILIES NEEDED!

JAPANESE EXCHANGE PROGRAM JUL31- AUG 20

Newton Moore SHS is hosting a group of Japanese high school students in term 3 (from Jul 31 – Aug 20) and we are inviting families to register their interest to host a student. The aim of their visit is to experience our Australian school and family life and improve their English speaking ability. We are looking for families who have a child at the school to host a student and give them a taste of our 'Aussie culture'. Hosting an international student offers many unique opportunities, including the chance to learn about another culture and build life-long friendships.

The family's responsibilities are to involve the student into their routine and to provide meals. Japanese students will attend New Moore SHS daily with their host student and will fit-in with their host families daily routine. All students may apply and will be matched with a student of the same gender. To help you help us support the program each host family will receive a host payment of \$500 to assist with any costs.

If you are interested in hosting a student please return the Host Family Expression of Interest Form below to the Japanese teacher Ms King, or for more information you can **contact Jason Hutchinson from Gold Intercultural Learning** whose details are below.
