

BRICKTOBER

Mr Brick invites
your School
Community to
attend
Bricktober-Perth
2017

The Rotary Club of Ascot is delighted to be once again hosting Bricktober - Perth's largest Exhibition of models build from LEGO® by fans of the brick in WA.

We would love it if you could forward this information on to your school community so that people who are interested in LEGO® can become involved in a number of activities that are being run in the lead up to Bricktober - Perth 2017.

The activities that are available prior to the event include the following: **FREE to enter**

- Shoe Box – Make Your Own Creation – to be run during the Sep-Oct school holidays. There are a number of different age categories from 3 years up to adults
- Future Exhibitors Competition – for “master” LEGO® builders to get the opportunity to exhibit at the show. All entries are for 15 to 6 year olds.
- Colouring Competition, download a LEGO® picture and colour it in and drop it off at Bricktober to be in the draw to win LEGO® themed prizes.

Details at <http://www.bricktober.info/pre-show-competitions/>

Bricktober – Perth 7 and 8 October 2017 at CURTIN STADIUM, Kent St, Bentley, on the grounds of Curtin University.

Commencing at 9.00 am and finishing each day at 4.15 pm.

Tickets are available to be purchased on line so you can nominate the day and time you would like to attend. There will be no tickets sold at the door.

Once in, you can stay as long as you like. STAY, PLAY AND LOOK as long as you want.

Get in early and pick the time you prefer.

Individual tickets are \$10 per person; with family of 4 tickets costing \$30. Children under the age of 2 will be admitted free.
