

Meeting TAFE entry requirements

Students applying for full time study must meet literacy and numeracy requirements for their chosen course, or have successfully completed a lower level qualification.

How do I find the entrance requirements for my course?

Search and choose a qualification on our website
www.southregionaltafe.wa.edu.au

Click on the qualification title and then read the information under the 'How to Apply' section which details the Entrance Requirements to follow.

Applicants who are unable to provide documentation can sit a Literacy and Numeracy test arranged by TAFE Admissions and this can be taken at your closest campus or in Perth.

Other documents may be used to demonstrate minimum literacy and numeracy skills.

For more information contact TAFE Admissions by email tafe.admissions@dtwd.wa.gov.au or phone 6212 9888.

How do I apply?

When you are ready to apply go to www.tasonline.tafe.wa.edu.au and complete the online application form.

Once we have received your application we will work with you to help you understand how you can meet the entrance requirements and how to address the selection criteria, if required, for your chosen course.

For more info on Entrance Requirements and courses

- Visit southregionaltafe.wa.edu.au
- Call 9780 7070
- Email courseinfo@srtafe.wa.edu.au
- Visit Bunbury Campus

How much does it cost to apply?

There are no charges to apply for a course or to change your preferences. Course fees will apply at the time of enrolment.

What documents will I need?

On request via email you will be asked to provide a range of documents to TAFE Admissions to show you meet the required level of literacy and numeracy.

These documents may include:

- School results – NAPLAN Yr 9 band 8 or OLNA
- WACE Certificate
- Other completed qualifications
- Bridging and access courses

What does Competitive and Non Competitive mean?

Some courses we expect more people to apply than there are places. Applicants who can demonstrate minimum Literacy and Numeracy Skills will be assessed and ranked against the Selection Criteria. Offers will be made to applicants with the highest total point scores.

What are the selection criteria?

Selection criteria are academic and other criteria (e.g. work experience, industry involvement and current and previous employment) which are used to rank eligible applicants competing for entry into a course where there are more applications than places available.

How do I address the selection criteria?

If the courses for which you are applying stipulate that you address selection criteria this means that you need to submit additional information such as:

- Secondary Education Results
- Any fully completed qualification
- Employment
- Work Experience
- Community Services/Volunteer Work

The additional information you provide can be in any work area or industry it does not necessarily have to relate to your chosen course of study for you to gain points.

*Note: To verify the work experience or employment that you cite in your application you will be required to provide copies of either a written reference, pay slip or group certificate/summary. Resumes and telephone references are not acceptable authentication.

Call our friendly Course Information Services

Contact us for more information on courses, entrance requirements and how to make an application:
