

Night Sky Gazing Astronomy Evening

MON 19 OR TUES 20TH* MARCH 2018 (TBC)

The South West Science Council invites you to an evening gazing at the night sky to learn what is happening in our solar system at present . Come along to also learn the science of how stars and galaxies form.

Our presenter will be Phil Smith of The Astronomical Society of the South West (Inc)

All telescopes will be provided.

**Once you RSVP we will confirm with you the date of the event once the weather is known and we can confirm that it will be a clear night to see stars.*

Where: Bunbury Observatory, Keble Heights, College Grove (follow blue signs)

Time: 7pm to 8.30pm

Cost: Adults- \$10 / kids - \$8 / families of 4- \$20 (pay on the night - please have exact change)

Please Bring: Warm clothes, long sleeves and pants (hungry mosquitos present!) (repellent supplied)

RSVP: Julie Palmer (08) 97914773
admin@swsciencecouncil.org.au

RSVP by: Mon 19/Tues 20 March
Light Refreshments will be provided
