HOST FAMILIES NEEDED

Japanese Exchange Partnerships

Newton Moore SHS is hosting students from our sister-school, Kawanishi Hokuryou SHS in Term 3 (from 28 July – 4 August) and we are inviting families to register their interest to host a student.

The aim of their visit is to experience our Australian school and family life, and improve their English-speaking ability. The family's responsibilities are to involve the student into their routine and to provide meals. Japanese students will attend Newton Moore SHS daily with their host student and will join in with their host family's daily routine. All students may apply and will be matched with a student of the same gender.

**Learn about a new
culture**

**Showcase
Australian lifestyle**

**Improve Japanese
speaking skills**

**Make lifelong
friends**

**Reciprocal hosting –
you may stay with
them in Japan!**
