

NMSHS PBS Behaviour Matrix

	Wellbeing	Respect	Responsibility	Learning
Always	- Engage in safe behaviours. - Look out for people in need and seek adult assistance when required. - Seek appropriate resolution when experiencing conflict.	- Use appropriate manners and language. - Use appropriate noise level for the situation. - Seek permission to borrow things and return them in the same condition.	- Take responsibility for your actions. - Wear correct uniform to school. - Take care of the school environment. - Put all your rubbish in the bin.	- Follow instructions and participate fully in all school activities. - Ask questions if you are unsure. - Persist with challenging tasks.
Class time	- Engage and cooperate positively with your peers. - Acknowledge and encourage the success of yourself and others. - Use all equipment safely.	- Actively listen to the teacher. - Seek assistance in appropriate ways. - Leave the classroom clean and graffiti free.	- Arrive to class on time. - Bring required equipment to class. - Approach teachers to follow up on missed work.	- Allow others to learn without disruption. - Stay in class and stay on task. - Complete all work and submit on time.
Break time	- Be a positive bystander. - Take care of your personal hygiene. - Report the use of drugs and alcohol. - Make healthy food and drink choices.	- Move around the school considerately, staying left and walking in corridors. - Allow others to play games uninterrupted.	- Line up and wait your turn patiently at the canteen. - Eat only during break times. - Use toilets appropriately and for their purpose only.	- Stay within school boundaries during school hours. - Take turns and invite others to participate in games.
Technology	- Be accountable for what you post or send. - Communicate positively with and about others.	- Seek permission before using your devices in class. - Only film/photograph others appropriately.	Engage online with people you know and trust.	- Use school technologies appropriately. - Visit only school approved sites.
