

Hello!

This year for National Tree Day we have a competition bigger than ever and we're inviting you and your students to get involved. We're so excited to announce our collaboration with **HUMIFORM** on a t-shirt design competition for under 18s.

If you're under the age of 18, we want YOU to design artwork on the theme...

What do trees mean to you?

COMPETITION

The clothes we wear can tell a story about what's important to us and we want these t-shirts to share a message about the world you want to live in.

For more information about the competition terms and conditions click the competition button above. Entries close April 12.

If you're an educator or community leader and you want to submit entries on behalf of 5 or more young people, please contact Megan at info@humiform.org.

Small action. Big change.
