

# Making the most of your COVID19 supplement payments

## Get your bills up to date

Pay extra off power, water, gas and rates, increase Centrelink before the COVID supplement ends

## Pay off smaller loans & fines

Pay off Cash Converters, Afterpay, Zip Pay, Pay Day Loans and Credit Cards

## Pay 12 months Car Rego

Set money aside for when the Rego is due and pay 12 months

## Does your car need a service?

Now is a great time to catch up on essential expenses like a car service or new tyres

## Do you need new glasses or medical expenses?

Use extra cash to buy glasses, visit the dentist or take out ambulance cover

## Food and Fuel Vouchers

Each time you shop at the supermarket buy a gift card to keep for later

## Do you need any appliances?

This could be a good opportunity to update appliances or furniture

## Save for Christmas, future expenses or emergencies

Open a savings account or buy some gift cards to use at Christmas time
